25X1 MEMORANDUM FOR: Mr. [redacted]
Special Assistant to the General Counsel
25X1 FROM: [redacted]
Executive Assistant, OC
25X1 SUBJECT: S. 2284 - National Intelligence Act of
1980 [redacted]
REFERENCE: Your Memorandum, Same Subject, dated
12 February 1980

25X1 1. As explained in a telephone conversation between
Mr. [redacted] and the undersigned on 21 February 1980,
the Office of Communications (OC) required additional time to
examine the voluminous material covered in the draft National
Intelligence Act of 1980. Following our review of the package,
we have concluded - as mentioned in the conversation referred
to above - that the draft is acceptable except for certain
language contained in Title VI. [redacted] 25X1

2. We were pleased to see that this latest version of
the Bill remedies many of the problem areas of Title VI which
OC identified in earlier versions; however, not all of the
shortcomings have been corrected. Some wording contained in
Sections 613(a)(14) and 641(d)(1), which had been identified
as problematical nearly two years ago, remains basically
unchanged. Also, if the words "coordinate," "consultation,"
"review," and "guidance" are to be interpreted as elements of
control, then Section 641(d)(1) may be considered to provide
the Director of NSA with such control over certain CIA
functions. [redacted] 25X1

3. OC has particular concern for the wording used in
Section 641(d)(1), which requires that CIA allow the Director
of NSA to review unique COMSEC methods and procedures in
support of clandestine activities. We have repeatedly

objected to that "prior review" caveat. Accordingly, it is requested that the Office of General Counsel endeavor to have the phrase "after review by the Director" stricken from the final clause of Section 641(d)(1). []
